# Motor, Version 2

This category covers the complete Rainbow e2 Gold version two motor/pump assembly that includes the bearings, gaskets, separator, rotor, and stator.

Effective serial number **01167460** with a start date of October 25th 2005 through serial number **01452000** (rough estimate) and an end date of April 2009 (estimate).

*NOTE: Motor version ranges are parts ranges, not machine ranges. A newer motor is a direct complete replacement for any earlier version in the same family (a D3 motor fits a D2), and the factory only sells the newest complete motor. Use the version that matches your serial number for individual parts; for a complete motor, order the newest version.*
